

NEW PENETRATING FORMULA for fast, temporary relief from common sources of pain, including Arthritis, Back Pain, Headache, Sciatica, Tendinitis, Neuritis, Muscle Strains, Sprains, etc.

DIRECTIONS: For use by adults and children 12 years and older. (For children under 12, seek a doctor's advice.) Shake well. Use the Pain Erase applicator top to apply liquid freely to the skin in areas of pain. For best results, also apply to Pain Erase Points indicated in the accompanying chart. There is no need to rub in or massage. Liquid will absorb quickly. Use as often as needed.

WARNING: Keep out of reach of infants and children. For external use only; do not take internally. Do not allow Pain Erase to come into contact with the eyes or mucous membranes. If contact should occur, immediately flush the affected area with clean water. Pregnant women should consult a physician before using Pain Erase. If any health condition or problem persists for more than 7 days, discontinue use of Pain Erase and consult a physician. If an allergic reaction to Pain Erase occurs, discontinue use immediately and consult a physician. Keep away from fire and flame.
